Presentation type:

- Oral Presentation
- Poster Presentation

Research field:

- Education and motor behaviour
- Sport performance analysis and optimisation
- Physical activity and health

**Keywords:** Education; Motor Behaviour; Sport; Health.

### INTRODUCTION

On behalf of the Organizing Committee, we are pleased to invite you to attend the 2<sup>nd</sup> International Congress on "Education, Motor Behaviour, Sport and Health" which will be held by the High Institute of Sport and Physical Education of Sfax, University of Sfax, Tunisia, from 15<sup>th</sup> to 18<sup>th</sup> December 2021. The main topics of the congress are: i) Education and motor behaviour, ii) sport performance analysis and optimisation and iii) Physical activity and health.

### METHOD

There will be two days of online presentations 15<sup>th</sup>-16<sup>th</sup> December 2021 and two days of keynote and student presentation (in the institute facilities), 17<sup>th</sup>-18<sup>th</sup> December 2021. Students out of Tunisia could also present their works online in 17<sup>th</sup>-18<sup>th</sup> December 2021.

### RESULTS

The objective of the congress is to provide unique forum for a discussion of the latest developments, refresh our knowledge and will offer plenty of networking opportunities, providing all participants a chance to meet, interact and discuss the main topics and recent published data. The main dates are 21<sup>st</sup> November 2021, deadline for first submission; 28<sup>th</sup> November 2021 return of the scientific committee; 5<sup>th</sup> December 2021 deadline for resubmission of the accepted and corrected version.

### DISCUSSION

In preparing the abstract, authors should adhere to the guidelines found in the *Publication Manual of the American Psychological Association* (7<sup>th</sup> edition, 2020). Also, please write the abstract according to the following instructions: Time New Roman, Interline 1.15, justified text and normal margins (2.5 cm). The file should not exceed **2 pages** (including all information). Please indicate the type (Oral or Poster) and nature (on-line or at the institute) of the presentation and the research field (Education and motor behaviour, or sport performance analysis and optimisation or Physical activity and health). Abstract could be submitted in English, in French or in Arabic. Abstracts that do not meet all these formatting requirements will be returned.

The organizers expect that there will be more abstracts submitted with preference for oral presentation than can be accommodated in the programme. Those who submit abstracts for oral presentation will be informed whether the paper is scheduled for oral or poster presentation. Each registered participant can present only one oral presentation and/or one poster presentation. Each author of an accepted abstract will be required to register to the congress.

### **CONCLUSION**

The first draft of the program of the congress will be send to all participant in 6<sup>th</sup> November 2021. In addition, it is a pleasure to invite your colleagues to participate to the 2<sup>nd</sup> International Congress on “Education, Motor Behaviour, Sport and Health”. We will be pleased to assist you if you have any queries.
