INTRODUCTION

On behalf of the Organizing Committee, we are pleased to invite you to attend the 3rd International Conference on “Education, Motor Behaviour, Sport and Health” which will be held by the High Institute of Sport and Physical Education of Sfax, University of Sfax, Tunisia, from 16th to 18th of November 2023. The main topics of the conference are: (i) Education and motor behaviour, (ii) sport performance analysis and optimisation and (iii) Physical activity and health. The objective of the conference is to provide unique forum for a discussion of the latest developments, refresh our knowledge and will offer plenty of networking opportunities, providing all participants a chance to meet, interact and discuss the main topics and recent published data.

METHOD

Keynote speakers from different countries will present and discuss the recent knowledge concerning the conferences topics. Also, there will be two days some online presentations. The conference will be held in the High Institute of Sport and Physical Education of Sfax facilities.

RESULTS

The main dates are: 3rd of September 2023, deadline for first submission; 4th to 17th of September 2023, first decision and revision; 24th to 30th of September 2023, final decision. The registration should be confirmed before the 3rd of November 2023.

The following link should be used for the submission:

https://docs.google.com/forms/d/e/1FAIpQLSeizCICFj9gRtHeV-ow2C8jMauoRN76-o9bwJJDm5IQTEsSug/viewform?usp=sf_link

DISCUSSION

In preparing the abstract, authors should adhere to the guidelines found in the *Publication Manual of the American Psychological Association* (7th edition, 2020). Also, please write the abstract according to the following instructions: Time New Roman, Interline 1.15, justified text and normal margins (2.5 cm). The abstract should not exceed **2 pages** (including references). Abstract could be submitted in English, in French or in Arabic language. Abstracts that do not meet all these formatting requirements will be returned.

The scientific committee could suggest to change the type of presentation and this decision needs the approval of the corresponding author. Each registered participant could participate with only one abstract. Each author of an accepted abstract will be required to register to the conference.

CONCLUSION

The first draft of the program of the congress will be send to all participant in 19th of October 2023. In addition, it is a pleasure to invite your colleagues to participate to the 3rd International Conference “Education, Motor Behaviour, Sport and Health”. We will be pleased to assist you if you have any queries.
